

Take it all down

Michel Berg

Verse 1

G **C** **G**
You are the creator of all

G C G
Gave us life to enjoy

D **C** **G**
But all that I want to see

D **C** **G**
Is your glory live in me

Chorus

C **G**
Take it all down, take it all down

G **D**
All the things that are of my own

G **C**
May they fall and disappear

D **C**
So I can see clearly

G **D**
Let me stand, in your strength,

G
glory and truth

Verse 2

Things I say and things I do

Can take me away from you

No more falls security

Your true word will set me free

Verse 3

Things that are built on sand

they will all pass away

Jesus on the rock I stand

Strength and power in your hand
